

# Webinars and Free training!

Many world language teachers may not have technology-rich classrooms, but the rapidly evolving education landscape requires that they infuse technology into today's world language classroom to keep it current and relevant.

*Please check out their calendar for all the webinars:*

<http://home.edweb.net/webinars/>

Recently Offered:

**The Classroom Advantage: Exploring the Advantages of Blended Instruction in the World Language Classroom - Wednesday, January 13, 2016 @ 6 - 7 pm**

**Creating Your Own Digital Content For Students  
Tuesday, January 19, 2016 @ 5:00 pm - 6:00 pm EST**

**6 Terrific Tools to Transform Your 2016  
Wednesday, January 20, 2016 @ 4:00 pm - 5:00 pm EST**

*\*\*\* The webinars are for K-12 – although the content is not always applicable; the technology is. **The webinars are recorded.** You can view the video after the webinar is over; this allows you to fast forward past content. I provided this link so you can get ideas on how teachers are incorporating technology in their classrooms. These webinars give you the opportunity to see examples that will hopefully assist you in coming up with ways you can incorporate technology in your classroom!!*

Transparent Language is repeating their free Webinars! For more information, please visit:

<http://home.transparent.com/transparent-language-online-for-education-webinars>

Check out the free resources at your local library! Did you know they offer free on-line training and on-line resources? You can take on-line courses in MsOffice , Technology and Programming!!! And the courses are current!

For Montgomery County: <http://education.gale.com/l-rock21695/>
